About the Institute

The Institute is a non-profit organization, dedicated to the service of your growing awareness and to fostering an environment in which each individual may be stimulated to pursue his or her own true spiritual unfoldment, uninhibited by dogmatic concerns. To arouse a process of joyous living, creative genius, cooperation, health, prosperity, and universal service is to arouse the spiritual heart of the organization.

Believing that the search for your truth embodies a personal examination of all philosophies and religions, the Institute Experience seeks to provide the focal point for that search and a nurturing environment in which the evolution of your spiritual progression may be realized.

Offering a wide variety of growth experiences, the Institute and its well-trained professional staff provide the fulcrum where each may endeavor to explore and express the Truth as he or she understands it. The on-going and comprehensive series of study and development experiences in esoteric, metaphysical, occult, healing and personal growth are augmented by the spiritual fellowship, guidance and shared experiences which are available.

Needing only an openness to Truth, the seeker is then encouraged to pursue the expansion of awareness of his or her inner self through service, and to unfold in the arms of love the potential for perfection that lies awaiting within.

A Church for Metaphysical Living, the Institute seeks to provide a common ground in which souls passionate to grow may resolve the differences of mind and experience which appear to separate us and grow by sharing, in joy as well as in pain. The Institute is a shelter to nurture the best that is within us, a proving ground of our resolve, a place of peace, and hope, and light, and comfort, of work, of rest, of spiritual growth, of enlightenment.

Thus, with love do we greet you, and with hope do we grow with you . . . not by the efforts of one or a few, but by the energy of all.

MERGING WITH OUR LIGHT BODIES

Sunday, October 22, from 1:00 to 5:00 PM

Instructor: Our Very Special Guest from India, KIARA WINDRIDER

We are entering into a time that mystics and prophets of many ages have referred to as a shift of the ages. This shift refers to a gateway between worlds, the emergence of a new species of humanity, of infinite creator dimensions awakening fully within the fields of matter. We will discuss these themes briefly, and then experience an initiation into a mystery school tradition known as "ilahinoor," a hands-on technique which quickly allows us to merge with our light bodies, thereby creating a direct access to

multidimensional frequencies for healing, awakening, and manifesting our unique destiny on earth.

Kiara Windrider is a psychotherapist and science researcher, who has also been trained in many spiritual and shamanic traditions. He travels widely, and believes that despite the chaos inherent in our human and planetary experience, we are moving towards a time of immense biological and spiritual transformation.

More about Dale Joy

As a child, Dale first noticed she was "different" when she was able to see Spirit. She has spent her life with Spirit visitations and communications, simply accepting this as normal.

As a member of the Spiritualists' National Union International, she has participated in the Platform Accreditation Scheme. Currently, she is involved in the Journey Within's ministerial program.

Dale holds a BA with a minor in Psychology and an MA+40. She has facilitated and presented workshops in the practice of effective instruction for over 25 years. She has completed and presented workshops in Brain Development Research and in the use of Right Brain Hemispheric Dominance.

Dale is a firm believer that "dark entities" and "attachments" are the psychosomatic fears and stresses that people experience on this earth . . . illness of mind, emotion and body. She strives to allay any fear in spirituality.

Soul Injury Workshop **Tuesdays, November 7, 14, 21,** **and 28 at 7:30 PM**

Instructor: Rev. John Drinkard

Soul Injury is a spectrum of penetrating wounds that occur during trauma, abuse, self-neglect, loss and serious illness. It is an overlooked, unassessed wound that subtly robs people of their vitality and separates them from their own sense of self. The intended audience for this event are: veterans; victims of sexual assault, crime, accidents, natural disasters, abuse, addiction, neglect, and burn-out; people who have experienced the loss of personal health or a loved one's health, the death of a loved one, or betrayal by a significant other; families of the traumatized; personal and professional caregivers.

The source of traumatic and insidi-

ous Soul Injury is unmourned loss and unforgiven guilt or shame. In this workshop you will learn how to:

- Connect with your pain and release it
- Grieve your unmourned losses
- Re-own the scattered pieces of yourself
- Forgive the guilt and shame you are carrying

You will discover how soulfully wounded people can love, forgive, and trust themselves to navigate in the world again. Come join us in this groundbreaking work of releasing your suffering, regaining your vitality and coming home to your true self.

Norma trance channels Roncar, an elevated spirit who specializes in instructing his audience and answering questions on the nature and purpose of life. He speaks on a broad range of subjects, and his discussions are tailored to the needs of those who are present. This is very similar to Abraham, who is channeled by Esther Hicks.

During each demonstration, you will have the opportunity to ask your questions and receive answers directly from spirit. This circle is for those who want to gain more understanding and grow on a spiritual level.

SchaRivera Wellness, LLCBiomagnetic Pair Technique

This technique strives to re-establish bio-energetic balance through the use of pairs of magnets that seek to equalize the body's pH level. These pairs of opposite charges depolarize areas in the body that are unbalanced due to pathogens or other factors that resonate energetically and vibrationally. With renewed pH balance of the body, these damaging components can be kept under control by our renewed natural defenses. Treatment is painless, entirely natural and non-invasive.
